Frank Rizzieri
Owner
History
In 1924, Franco Cipriotti opened Maison de Paris, the first cosmetology school in New Jersey. Originally located in Camden, the school offered students the opportunity to learn the creative art of cosmetology. Continuing Franco Cipriotti's dream, his family has continued in the forefront of health and beauty education. Franco's daughter, Anna and her husband, Sal Rizzieri, assumed ownership of the school in 1975. The husband and wife team, along with their son, Frank - a nationally recognized editorial stylist, and Dino - an operational executive, relocated the School to Haddonfield, New Jersey.

In 1995, owners Frank Rizzieri and Dino Rizzieri incorporated their visionary leadership to merge beauty, wellness, and education into a state-of-the-art facility. A three story, full service salon, spa, and educational center emerged to provide the community with quality training programs, consumer workshops, and knowledgeable technicians.

In 1998, the increasing demand for qualified massage therapists led to the creation of Rizzieri Institute for Massage Therapy. The popularity of the program enabled the massage school to expand the program to a new building in 2000, within walking distance of the Rizzieri Salon, Spa & Beauty School.

In 2001, the school changed its name to Rizzieri School for the Healing Arts to better reflect the variety of courses offered.

In 2005 the School for the Healing Arts no longer offered Shiatsu and Yoga teacher training, but continues an open perspective to expand its program curriculum as new modalities and techniques become available, accepted and beneficial in the wellness industry.

In September of 2009, the school relocated to the 2nd floor of the Rizzieri Center in Marlton, NJ.

During the summer of 2011, the massage school moved to the Voorhees Town Center, located in the heart of Voorhees NJ and is now located below the Rizzieri Aveda School.

The Rizzieri Aveda School of Massage are owned by Rizzieri Institute Inc. and Approved and Licensed by:

**Grading Procedure**

The qualitative element used to determine academic progress is a reasonable system of grades as determined by assigned academic learning. Students are assigned academic learning and a minimum number of practical experiences. Academic learning is evaluated after each unit of study. Practical and Theory assignments are evaluated as completed and counted towards course completion only. If the performance does not meet satisfactory requirements, it is not counted and the performance must be repeated. Students must maintain a written grade average of 80%. Numerical grades are considered according to the following scale.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>90-100</td>
<td>A Excellent</td>
</tr>
<tr>
<td>85-89</td>
<td>B Good</td>
</tr>
<tr>
<td>80-84</td>
<td>C Satisfactory</td>
</tr>
<tr>
<td>79-Below</td>
<td>F Unsatisfactory</td>
</tr>
</tbody>
</table>

**Grading Procedure**

Theory, practical and clinical work are used to determine academic progress.

**Make-Up Assignments & Tests**

All homework must be turned in the day it is due, with no more than 5 questions missing, in order to receive 100%. If homework is turned in late the student will receive a 0 for the grade. If student is absent on due date, the assignment must be turned in the next day they are in. If a student takes a test and receives a grade below a 75, they may retake the test. The student has one week to retake the test. After the week is up they receive the grade they originally received. If the student did retake the test, the 1st grade and the 2nd grade will be averaged, but cannot receive over an 80 for the final grade. Tests can only be retaken once and does not apply to midterms or finals. When a student is absent on a test day, they must take the test the next class day they are in.

Classroom and Clinical (0-600 hours) – The Grading System is as Follows:

Written=25% Practical Evaluation=30% Project/Papers 10%
Final=25% Homework/Journal =10%

Cumulatively, all of these make up the minimum of the 80% that will be considered a passing grade.

A leave of absence extends the student’s contract period and maximum time frame by the same number of days of the leave of absence.

Evaluation Periods
Students are evaluated for Satisfactory Academic Progress as follows:
Massage - 300 scheduled hours

Determination of Progress
All periods of the student’s enrollment are counted when assessing progress, even periods in which the student did not receive Title IV funds. If a student is making satisfactory progress at evaluation time, the said student is considered making satisfactory progress until the next evaluation period and will be
eligible for Title IV funding. Students deemed not making satisfactory progress may have their Title IV funding interrupted, unless the student is on warning or has prevailed upon appeal resulting in a status of probation.

**Warning**
Students who fail to meet minimum requirements for attendance or academic progress are placed on warning and considered to be making satisfactory academic progress while during the warning period. The student will be advised in writing on the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the warning period, the student has still not met both the attendance and academic requirements, he/she may be placed on probation and, if applicable, may be deemed ineligible to receive Title IV funds.

**Re-Establishment of Satisfactory Academic Progress**
Students may re-establish satisfactory academic progress and Title IV aid, as applicable, by meeting minimum attendance and academic requirements by the end of the warning or probationary period.

**Probation**
Students who fail to meet minimum requirements for attendance or academic progress after the warning period will be placed on probation and considered to be making satisfactory academic progress while during the probationary period, if the student appeals the decision, and prevails upon appeal. Additionally, only students who have the ability to meet the Satisfactory Academic Progress Policy standards by the end of the evaluation period may be placed on probation. Students placed on an academic plan must be able to meet requirements set forth in the academic plan by the end of the next evaluation period. Students who are progressing according to their specific academic plan will be considered making satisfactory academic progress. The student will be advised in writing of the actions required to attain satisfactory academic progress by the next evaluation. If at the end of the probationary period, the student has still not met both the attendance and academic requirements required for satisfactory academic progress or by the academic plan, he/she will be determined as NOT making satisfactory academic progress and, if applicable, will lose Title IV eligibility, and will be terminated from the program in which they are enrolled.

**Appeal Procedure**
If a student is determined to not be making satisfactory academic progress, the student may appeal the determination within ten calendar days. Reasons for which students may appeal a negative progress determination include death of a relative, an injury or illness of the student, or any other allowable special or mitigating circumstance. The student must submit a written appeal to the school on the designated form describing why they failed to meet satisfactory academic progress standards, along with supporting documentation of the reasons why the determination should be reversed. This information should include what has changed about the student’s situation that will allow them to achieve satisfactory academic progress by the next evaluation point. Appeal documents will be reviewed and a decision will be made and reported to the student within 30 calendar days. The appeal and decision documents will be retained in the student file. If the student prevails upon appeal, the satisfactory academic progress determination will be reversed and federal financial aid will be reinstated, if applicable.
Interruptions and Withdrawals
If enrollment is temporarily interrupted for a Leave of Absence, the student will return to school in the same progress status as prior to the leave of absence. Hours elapsed during a leave of absence will extend the student’s contract period and maximum time frame by the same number of days taken in the leave of absence and will not be included in the student’s cumulative attendance percentage calculation. Students who withdraw prior to completion of the course and wish to re-enroll will return in the same satisfactory academic progress status as at the time of withdrawal.

Notification and Records
Students shall be provided with copies of all satisfactory academic progress evaluation reports. Copies of such reports shall also be placed in the student’s academic file, to which the student shall have access as set forth in the Course Catalog. Incompletes, repetitions and non-credit courses do not apply to the school and therefore have no effect upon the satisfactory progress policy.

The School has adopted the following Grievance Procedure for addressing complaints of discrimination under Section 504 of the Rehabilitation Act of 1973. A person is not required to use this procedure and may instead file a complaint directly with the U.S. Department of Education’s Office for Civil Rights, 32 Old Slip, 26th Floor, New York, NY 10005-2500.

Step 1: A person who believes that he/she has been discriminated against by the School is encouraged, but is not required, to discuss the matter informally with the Section 504 Coordinator, Ms. Joelle Brennan, 8102 Town Center Blvd., Voorhees Township, NJ 08043, phone 856.552.2272, email: JBrennan@rizzieri.com. If the 504 Coordinator is the subject of the complaint, the grievant may, instead, contact the School’s President, who will appoint another administrator to discuss the matter. The person receiving the complaint shall verbally convey his/her findings to both the person who alleged the violation and the person who is the subject of the complaint within 10 business days.

Step 2: If the informal Step 1 process does not resolve the matter, or if the grievant does not wish to use the informal procedures set forth in Step 1, a written complaint may be submitted to the School’s Section 504 Coordinator who will investigate the complaint. [NOTE: if the Section 504 Coordinator is the subject of the complaint, the complaint should be submitted to the School’s President who will appoint another administrator to conduct the investigation]. The complaint shall be signed by the grievant and include 1) the grievant’s name and contact information; 2) the facts of the incident or action complained about; 3) the date of the incident or action giving rise to the complaint; 4) the type of discrimination alleged to have occurred; and 5) the specific relief sought. Names of witnesses and other evidence as deemed appropriate by the grievant may also be submitted. An investigation of the complaint will be conducted within 10 business days following the submission of the written complaint. The investigation shall include an interview of the parties and witnesses, a review of the relevant evidence, and any other steps necessary to ensure a prompt and thorough investigation of the complaint. A written disposition of the complaint shall be issued within 10 business days of completion of the investigation, unless a specific written extension of time is provided to the parties. Copies of the disposition will be given to both the grievant and the person who is the subject of the complaint. If discrimination or harassment was found to have occurred, the disposition will include the steps that the School will take to prevent recurrence of any discrimination or harassment and to correct its discriminatory effects on the grievant and others, if appropriate.

Step 3: If the grievant wishes to appeal the decision in Step 2 above, he/she may submit a signed, written appeal to the School’s President within 10 business days after receipt of the written disposition. The School President or his designee shall respond to the complaint, in writing, within 10 business days of the date of the appeal. Copies of the response shall be provided to both the grievant and the person who is the subject of the complaint.

The School hereby provides assurance that it strictly prohibits any form of retaliation against persons who utilize this Grievance Procedure. If you have questions regarding these procedures or desire to file a complaint, please contact the School’s Section 504 Coordinator: Ms. Joelle Brennan, 8102 Town Center Blvd., Voorhees Township, NJ 08043, phone 856.552.2272, email: JBrennan@rizzieri.com.
Leave of Absence Policy

Requests for a leave of absence are evaluated on a case-by-case basis and will only be approved for extenuating circumstances. The student must complete a Leave of Absence Request Form and submit all supporting documentation to the Team Lead in advance to the start of the requested leave, unless unforeseen circumstances prevent the student from doing so. A Leave of Absence must be at least 5 days in duration for massage. Students who have requested a Leave of Absence will be notified within 3 school days of the requested start of the Leave Of Absence whether the leave has been approved or denied on the Leave of Absence Request Form.

The amount of time approved for a leave of absence is based on an individual assessment of each student. Students must complete the Leave of Absence Request Form in its entirety for a request to be considered. Students are able to request one extension to each Leave of Absence but the Leave of Absence cannot exceed 180 days in any 12 month period. Only two Leaves of Absence will be approved during a student’s enrollment. A student is not eligible to be considered as a perfect attendee if they take a Leave of Absence, therefore the Student will not be eligible to receive the Perfect Attendance Award.

A student must return on the approved date or they will be terminated on that day. If a student is unable to return on the approved return date, they must contact the school to request a Leave of Absence Extension prior to the approved return date.

A student returning from a Leave of Absence or other official interruption of training will return to School in the same satisfactory status as prior to his/her departure. Students may have to sign new paperwork before returning into class. Students must demonstrate that they have fully resolved the circumstances leading to the Leave of Absence prior to electing to return or they will be recommended to request an extension if applicable. Students who are returning from a leave of absence will be evaluated by the Team Lead to place them back into their program at the level at which they demonstrate competent skills. Students who have been on a Leave of Absence for more than 3 months are required to pass a technical evaluation. In some instances, the student will be required to start from the beginning of his/her course of study. If the student fails the technical evaluation, they will be terminated. The decision is made by the School and is final.

If a student on an approved Leave of Absence notifies the School that he/she will not be returning, the student will follow the procedure as described in the Withdrawal/Course Incomplete section of the catalog. The date of withdrawal, for the purpose of calculating a refund, is the student’s last day of attendance.

Students placed on a Leave of Absence are not considered to be withdrawn and no refund calculation is performed while on an approved Leave of Absence. No additional instructional charges are assessed as a result of a Student taking an approved Leave of Absence. Upon the return of a student who has taken a Leave of Absence, the student’s contract period will be extended by the same number of days taken in the Leave of Absence and changes to the contract period will be documented so as to be dated and initialed by all parties.

In addition to the regular Leave of Absence, students may need to be placed or take an Administrative Leave of Absence to permit them to repeat a phase. Administrative Leaves of Absence are the same as a regular Leave of Absence with the exceptions that a student need not be making Satisfactory Academic Progress and need not request the minimum amount of days.

Administrative Leaves of Absence are intended to account for the time a student is not scheduled in class while waiting to retake a phase.
Payment Options

Payment Plan

The student may make monthly, interest free payments to the school. The balance is divided over the length of the program. Tuition payments are made to the Financial Aid representative and are due the first day of each month. Payments may be by cash, check, money order, or credit card. If payment is not received by the 14th of the month, a $10 late fee will be assessed, and the student may be suspended from class until the payment and late fee are received. During the suspension period the student will be accumulating missed hours and shall be put on warning if the student’s attendance falls below 80% and/or terminated if the student exceeds the maximum allowable absences for his/her course of study. Refer to your Enrollment Agreement for your individual payment plan.

Veteran’s Benefits

If you are an honorable discharge veteran of the armed forces or a dependent of a deceased veteran, you may apply for veteran’s educational benefits. Please contact the Veteran’s Administration Office to determine eligibility and further information.

Financial Aid

(Available to Those Who Qualify)

The basic concept of financial aid is the determination of financial need. Financial need is defined as the difference between the total costs and the portion of those costs that can be expected to be met by parental and/or student contributions. To equitably determine a student’s financial need, Rizzi Aveda School of Massage utilizes the federal needs analysis set forth by the U.S. Department of Education.

Application Process

Students must complete the Free Application for Federal Student Aid (FAFSA) to be considered for grants, scholarships, and student loans. For further information please Contact the Financial Aid Office at 856.552.1445. Unless students have an approved funding plan, which may include but is not limited to federal financial aid, completed prior to the first day of class, students will be contractually obligated to make monthly payments on the tuition balance until Financial Aid is completed.

Student Responsibilities

The student must be enrolled and maintain satisfactory academic progress to receive financial aid. The student must sign an affidavit of educational purposes, Selective Service Registration compliance, default certification, and the drug policy statement. The student must notify the Financial Aid Office of any name or address change; changes in his/her financial situation; and any outside scholarships, grants, or other sources of assistance.

About Financial Aid

Criteria for the selection of students and determination of the amount of the award of students who apply for financial aid are established by the U.S. Department of Education. Terms of any loan, including repayment schedules, are established by the U.S. Department of Education or the lender making the loan.

Sources of Financial Aid

Grants

Federal Pell Grant
The Federal Pell Grant is a student financial aid program designed to assist students in the continuation of their education after high school. A student who does not have a bachelor’s degree, is a U.S. Citizen or permanent resident, and is enrolled on at least a half-time basis in an eligible institution, may apply for a Federal Pell Grant. Eligibility is determined by the student’s/family’s financial resources, according to a formula developed and reviewed by the U.S. Department of Education and Congress.

Loans

Direct Subsidized Loan
If you are unable to meet tuition expenses from grants, work, and family assistance, you may be eligible to apply for a subsidized direct student loan. Maximum loan amounts and current interest rates for the Subsidized Direct Loan may be obtained from the Financial Aid Office. The loan is guaranteed by the federal government, which pays the interest while the student is in school. Repayment generally begins six months after you leave school. Contact the Financial Aid Office for information on application procedures.
Direct Unsubsidized Loan
A Unsubsidized Direct Loan may be available to you if you are independent, do not qualify for a need-based loan or are eligible for less than the loan limit on an Unsubsidized Direct Loan. The same terms and conditions apply, except that the borrower accrues interest while in school. Repayment generally begins six months after you leave school. Contact the Financial Aid Office for information on loan limitations, application procedures and program requirements.

Direct PLUS Loan
Creditworthy parents of dependent undergraduate students may borrow under the Plus Loan program. Contact the Financial Aid Office for information on maximum loan limitations, application, and disbursement procedures, and current interest rates. The borrower pays interest and makes payments while the student attends school or may defer payments until their program completion by contacting the U.S. Department of Education.

New Jersey Class Loan
NJ Class Loans are available to cover any remaining balance not covered by Direct Funding Loans and Grants. Apply online at www.hesaa.org or contact the Financial Aid Office to find out information on applying for this loan. Approval is credit based.

Disbursement of Loan Checks
Depending on the loan process, some check are issued to the student and the school, and mailed to the school in care of the Financial Aid Office. Other disbursements are made by electronic funds transfer. The student must be in good attendance and making satisfactory progress to receive the loan. Rizzieri Aveda School of Massage requires students to bring their tuition account up to date at the time the check is disbursed.

Discounts
A $250 tuition discount applies if tuition is paid in full at least one day prior to the start date.

In order for the student to receive any discounts or Discounts from Rizzieri schools, students must complete his/her course of study. If the student withdraws, or is dismissed from the School, tuition refunds will be based on the full tuition price.
Cancellation and Settlement Policy

Rizzieri Aveda School of Massage applies the following Institutional refund policy to all terminations for any reason, by either party, including student decision, course and/or program cancellation, or institution closure.

Institutional Refund Policy:

If the student is declined enrollment for any reason, after this agreement is executed, and prior to the start of class, the student will receive a full refund, with exception of the application fee.

If the student, or parent/guardian if the student is under 18 years of age, should formally cancel this agreement within three (3) business days of the signing of said agreement, but prior to beginning actual class attendance, all money collected by the School will be refunded with the exception of the application fee.

If the student, or parent/guardian if the student is under 18 years of age, should formally cancel this agreement more than three (3) business days after the signing of said agreement, but prior to beginning actual class attendance, all money collected by the School will be refunded, with the exception of the $350 registration fee, and the $25 application fee.

If the student, or parent/guardian if the student is under 18 years of age, should formally cancel the agreement after attending classes, the School is permitted to retain the registration fee, a $100 termination/withdrawal fee, all costs of equipment and supplies, including books, in addition to the following schedule of tuition adjustment. The percent of tuition retained is based on number of program hours completed as follows:

Full Time Attendance Calculation
- Ten percent of total tuition if withdraw occurs in the first week
- Twenty percent of total tuition if withdraw occurs in the second or third week
- Forty five percent of total tuition if withdraw occurs after the third week but prior to scheduled completion of 25 percent of the course
- Seventy percent of total tuition if withdraw occurs after 25 percent but not more that 50 percent of the course has been scheduled to complete
- One hundred percent of the total tuition if withdraw occurs after scheduled completion of more than 50 percent of the course

Part Time Attendance Calculation
- Ten percent of total tuition if withdraw occurs in the first 25 hours of scheduled attendance
- Twenty percent of total tuition if withdraw occurs between 26 and 75 hours of scheduled attendance
- Calculated on the same basis as for full time attendance pursuant to above after 75 hours of scheduled attendance

Scheduled Hours/Enrollment time is defined as the number of hours scheduled from the actual starting date of classes and the date of the student’s last day of physical attendance in the School. Any monies due to the student minus the $100 termination/withdrawal fee shall be refunded within forty five (45) days of formal cancellation by the student, as defined above, or the date the School determines the Student has withdrawn, which shall occur no more than five (5) days from the last day of physical attendance, or in the case of a leave of absence, the date of withdraw shall be the earlier of the documented return date from the leave of absence or the date the student notifies the School that he/she will not be returning. The School shall be entitled to retain 100% of the total cost of educational supplies, including books, should the student cancel this agreement within three business days of signing of said agreement and actually started training.
In order for the student to receive any discounts or Discounts from Rizzieri Aveda School of massage, the student must complete his/her course study. If the student withdraws from, or is dismissed from the School, his/her refund, if any, will be based on the full actual tuition price.

Written records are maintained on enrollment cancellations and tuition refunds, in the applicable student’s file. Student files are maintained for six years.

For any students who receive Title IV Financial Assistance, the Federal Return of Title IV Funds formula (“R2T4”) calculation will be completed first and applicable funds shall be returned. Returned funds will be reduced from payments received on behalf of the Student, before applying the Institutional Refund Policy, to determine whether the Student is owed a refund or if a balance is owed to the School. The R2T4 Policy is described in detail in the School Catalog.

Should the School cancel the Students Course of Study subsequent to the commencement of the Course of Study or in the event the School is permanently closed and is no longer offering instruction, the Student shall be entitled to a pro rata refund of tuition. If the Course of Study is cancelled subsequent to a Student’s enrollment and before instruction in the program or course has begun, the School shall provide a full refund of all monies paid or completion of the course at a later time. Accounts 90 days past due will be sent to collection with the cost of collection, including reasonable attorneys’ fees, borne by the Student. The collection company complies with all of Rizzieri School for the Healing Arts’ financial policies.

**Return of Federal Financial Aid**

A student who receives Title IV Federal Financial Aid and withdraws from Rizzieri Aveda School of Massage on or before the 60% point in the term is entitled to keep the portion of Title IV Federal Financial Aid that he/she earned up to the point of withdrawal. Federal Regulations further mandate that a student must earn his or her federal student aid or the funds must be returned to the Federal Financial Aid programs. If a student receiving Federal Financial Aid withdraws after the 60% point of the academic term, she/he is considered to have earned all of her/his Title IV Aid for that term. The Financial Aid Office will calculate the amount of aid the student has earned using the prescribed Federal Return of Title IV Funds Procedure, and returns of Title IV funds will be made within 45 days of the date the school determines the student has withdrawn. Once the earned amount of a student's financial aid has been applied to her/his institutional charges, the student is responsible for any remaining balance due to the school. Additional details and examples of the refund and repayment policies may be obtained by contacting the School.

**Return of Title IV Funds**

The return of Title IV funds as prescribed in Section 484B of the Higher Education Act Amendments determines the amount of the Title IV aid a student has earned at the time a student withdraws. The amount of the Title IV aid a student has not earned is then returned to the Title IV programs. It is a proportional calculation based on the date of withdrawal through sixty-percent (60%) of the payment period. Rizzieri Aveda School of Massage defines it payment periods for the Massage programs as Payment Period 1 is from 1-300 scheduled hours, Payment Period 2 is from 301 -600 scheduled hours.

The formula in brief is as follows:

- The institution will determine the date of withdrawal and then determine the percentage of the payment period scheduled for the student. The institution will then determine the amount of Title IV aid for which the student was eligible by the percentage of the time scheduled if applicable.
- The institution will compare the amount earned to the amount disbursed. If the amount of aid disbursed exceeds the amount earned, this amount of Title IV aid must be returned by the institution.
- The institution allocates the responsibility for returned unearned aid between the school and the student according to the portion of disbursed aid that could have been used to cover institutional charges and the portion that could have been disbursed directly to the student once institutional charges were covered.
EXAMPLE
Financial Aid Award:  
Pell Grant $4063  1st disbursement $2,031
Direct Loan $2,333  1st disbursement $1,166
Total $3,197

Student withdraws on 01/01/2015; the student was scheduled to complete 150 hours of the 600-hour Massage program.
141 hours/300 hours (payment period 1) = 47.0%

The student had completed 47.0% of the payment period (Payment Period 1) and therefore had earned 47.0% of the financial aid that had been disbursed.
$3,197 aid disbursed X 47.0% = $1,502.59 earned financial aid

Rizzieri Aveda School of Massage must return the unearned aid to the Department of Education.
$3,197 aid received - $1,502.59 earned aid = $1,694.41 unearned aid

Rizzieri Aveda School of Massage will return $1,166.00 to the Direct Loan and $528.41 to the Pell Grant program for a total of $1,694.41.

Any refund due will be refunded on the student’s behalf directly to the applicable federal student aid program, in the following order:  1. Unsubsidized Direct Loan; 2. Subsidized Direct Loan; 3. Pell Grant.

Should the School cancel the student’s course of study subsequent to the commencement of the course of study or in the event the School is permanently closed and is no longer offering instruction, the Student shall be entitled to a pro-rata refund of tuition. If the course of study is cancelled subsequent to a student’s enrollment, and before instruction in the program has begun, the School shall provide a full refund of all monies paid or completion of the course at a later time.

Unannounced School Closures
In the event of an unannounced school closure, students enrolled at the time of the closure must contact the Department of Labor and Workforce Development’s Training Evaluation Unit within ninety (90) calendar days of the closure. Failure to do so within the ninety (90) days may exclude the student from any available form of assistance. The contact number to call is (609) 292-4287.
Disclosure of Student Information

To protect the privacy of students and families, federal law sets certain conditions on the disclosure of personally identifiable information from school records. In addition, students, or a parent or guardian if the student is a dependent minor, may review or inspect their records, but must give the administrative offices 24-hour notice. In order to view their records, students must make a request with the Team Lead Administrator. All Team Lead are maintained and locked in the Administrative Offices. Students have the option to request an amendment to their records. If that amendment is denied, a hearing to challenge the content of the education records may be requested on the grounds that the records are inaccurate, misleading, or violate the rights of the student.

Regulations under the Family Educational Rights and Privacy Act (FERPA) also establish rules governing the disclosure of student information to parties other than the student. Information may be disclosed to the U.S. Department of Education, the Office of Inspector General, COMTA, or state and local education authorities as part of an audit or program review. Information may also be made available in connection with the financial aid requested or received by a student to organizations that are conducting studies concerning the administration of student aid programs on behalf of educational agencies or institutions and to parents of dependent students as defined by the Internal Revenue Service.

Rizziere Aveda School of Massage requires written authorization each time from a student, parent/guardian (if the student is a dependent minor), or alumni in order to release academic, attendance, enrollment, or financial status to agencies, prospective employers, or any other party seeking information about the student.

Rizziere Aveda School of Massage will maintain all student files for six years.

Hours are granted by the clock hour. For example: If you are a Massage student and sign out at 10:20 am, you are given credit for the previous hour of 10:00 am. If you are a Part Time Student and sign out at 7:45 pm, you are given credit for the previous hour of 7:00 pm. In order to receive the full hour, you must sign out on the hour (full time and part time).

Full time students are allotted 1 hour for lunch. If the student is late returning from their 1-hour lunch, the student will not be permitted into class for the remainder of the day. The only time the student is permitted to leave the building is during his/her lunch break.

Absences

Students may occasionally encounter situations that mandate missed hours such as emergencies, illnesses, religious holidays, or suspension. Each field of study has a predetermined emergency “pool of hours” that are to be used for class or clinic time missed for which the student will not accrue overtime charges. There are no special circumstances for which missed hours will be excused. The following is the amount of hours that can be missed in each course of study before the student begins to accrue overtime charges.

Massage – 75 Hours

The student will be charged $10 per hour for any hours in excess of the above stated hours. Students continue to accrue hours until completion which is 600 clock hours for Massage. If a student is absent from school without notifying the Team Lead for five (5) consecutive days they will automatically be withdrawn from the course.
Attendance Requirement
Students’ attendance is critical to the successful completion of the Rizzieri Aveda School of Massage educational program. Students who miss more than the allowable number of days as set forth below shall be subject to termination from their program:

Massage Program –
| Full Time - | A student absent for more than 11 scheduled clock hours during the first fifteen (15) calendar days of the program will be terminated from the program. |
| Part Time – | A student absent for more than 6 scheduled clock hours during the first fifteen (15) calendar days of the program will be terminated from the program. |

Make-Up Hour Policy
Make-up hours may be offered to students at the discretion of Rizzieri Aveda School of Massage. In order to attend make-up hours, the student must have been in attendance at school for the entire day. No more than 8 hours for full time and 4 hours for part time students can be accrued per week. Students may not make up hours in advance of attendance or “bank” hours for the purpose of graduating before their contracted end date. Students are not permitted to make-up hours during their allotted lunch. Make-up hours may be cancelled or changed at the discretion of Rizzieri Aveda School of Massage at any time, however we will attempt to provide as much advance notice as possible when canceling make-up hours. Each class will be notified of the availability of make-up hours as they are scheduled.

Attending make-up hours will reduce the number of missed hours a student has accrued. The number of hours missed will be reduced by the number of makeup hours the student has completed.

Termination
Students who are terminated from the School will have a notice placed in their student record as to their progress at the last date of attendance. If a student is not in attendance for five (5) consecutive scheduled days, and fails to contact the School, the School will automatically terminate the student from his/her course of study. Unscheduled days or days that the School is closed due to inclement weather, holidays, or teacher in-services do not count as missed days. For example: Martin Luther King Day and the Winter Break do not count as missed days.

The Administrative Office will compute an Institutional Refund Calculation for each student that is terminated. The Institutional Refund Calculation is performed in accordance with the School’s contract and the Department of Education guidelines. If the student owes money to the School, he/she has 90 days to settle his/her account. The student must repay monies owed to either the School or the loan company. After 90 days, the student’s account will be forwarded to collections.

If the School owes money to the student or the loan company, the School will refund the money to the student or loan company within 30 days of his/her formal date of termination as determined by the School. Students who are receiving Federal Financial Aid must complete an exit interview and can contact the Financial Aid Office with questions regarding their financial responsibilities to the school.
Appendix B: Administrative Policies and Student Conduct

To help you achieve excellence in Massage we have established guidelines to ensure fairness, understanding, and positive work habits among our students. To help prepare you for the workplace, Rizzieri Aveda School of Massage operates much like a professional salon environment. Late arrivals, absences, and other interruptions in your training have a significant effect on your achievement – just as they would if you were an employee in a salon, day spa, or other professional organization. By law, we must keep track of your training hours for licensure or certification.

- Students are expected to conduct themselves in a professional and appropriate manner at all times. School property consists of Rizzieri Aveda School of Massage, Upper Deck of the designated student parking lot, and Voorhees Town Center (local businesses, restaurants and stores).
- To maintain the proper learning environment, all students are expected to show respect for their teachers and fellow classmates.
- Food, candy, and snacks, are allowed in the break room area only. Beverages may be consumed in the classroom during theory only. Beverages are not allowed in the classroom during practical or during clinic.
- Rizzieri Aveda School of Massage is a smoke-free facility. Smoking is allowed outside the building in designated areas only. These areas (public and school) should be kept litter free. If you choose to smoke, please be aware of the need to deodorize before returning to class and when working with clients.
- Cell phones must be turned off and put away during clinic and class time. Cell phone use is only permitted during breaks in the following areas: break room, stairwell, student entrance, or outside or in class when permitted by the instructor for educational purposes. Students will be notified only of emergency phone calls, so as not to interrupt the educational process.
- To benefit from the training and technical experience Rizzieri Aveda School of Massage offers, students need to be mentally alert and have a sober state of mind. We strongly support the National Drug Prevention Program, which prohibits the use of controlled substances. If a student is found using, or if the School has reasonable suspicion the student is using, controlled substances, the student will be terminated.
- All services or work done by students must be assigned by, performed under the supervision of, and evaluated by an instructor within the educational situation. Students who refuse an assigned service will be dismissed for the remainder of the day.
- In order to perform professional services, students need to be prepared for class at all times. Only authorized products and merchandise are permitted in the school. Students are not permitted to solicit non menu items, products or services on the premises.
- Students are responsible for their own personal property. The School is not responsible for missing or stolen items.
- All forms of profanity including but not limited to verbal or body language.
- Students should maintain modest draping.
Professional Appearance and Dress Code

- The Rizzieri Aveda School of Massage Uniform Shirt provided in the student’s kit is to be clean, neat, and worn during all classroom and clinic-floor hours. It should not be torn, stained or altered in any way. If it does not meet these standards, students must replace it within 24 hours at the student’s expense. Students are not permitted to wear pullovers, hooded sweaters or sweatshirts at any time.

- Students are not to wear hats, bandanas, headphones, sunglasses or any other type of head covering. Exceptions would include religious based headwear. Scarves and headbands may be worn as long as the esthetic standard for uniform is being met and the student’s hair is in line with the professional image expected of Rizzieri Aveda School of Massage Students.

- Identification badges are part of our uniform and must be worn as issued during all clocked hours to identify students and staff to clients. Students will be charged a $5 replacement fee if their ID badge is lost or misplaced. The Administrative Office requires 24 hours to make a new ID badge, and the student will be sent home for the day.

- Footwear must be professional in appearance, closed toe and worn at all times, in accordance with individual program guidelines and purchased from our uniform distributor. No running shoes/sneakers are permitted and socks must be worn.

- Rizzieri Aveda School of Massage reserves the right to maintain an aesthetic standard for all students, including professional personal hygiene and grooming and—to the extent appropriate—makeup, appropriate facial hair and standard dress code adherence.

Students, who in the reasonable determination of Rizzieri Aveda School of Massage are not dressed professionally, according to the above guidelines, will be dismissed for the day.

Massage Models (Senior Phase)

Safety Policy

Upon entering School premises, students agree that they and their parcels, including handbags, briefcases, purses, backpacks, or other items or personal belongings are subject to reasonable search by the School employees at any time for any reason. Students may be asked to allow School employees access to personal belongings and if the student refuses, the authorities may be contacted.

Students are provided with lockers for use in securing personal belongings. Any personal belongings that are not secured are not the responsibility of the school. All occurrences of theft, vandalism or other criminal activity should be reported to the Voorhees Township Police after notifying the Director of Education. Rizzi School of Massage not responsible for any personal belongings on the premises.

Parking Policy

Students must park on the upper deck of the designated parking lot, located on the West side of the building. If a student is parking anywhere else besides the upper deck of the designated parking lot on the West Side, the student will be sent home for the day, in accordance to the Fair Treatment Policy.

Student Request Policy

A request is when a paying client, friend, or relative comes to the clinic and requests a specific student to do the service. Requests do not get priority over the other clients. The client cannot wait for the requested student to become available. Clients who request specific students are charged the regular price just like other clients. If the student is available, we will try to accommodate the clients’ request, however the clinic operates on a first come, first serve basis.

Re-Entry Process

Students applying to re-enter into the Rizzi School of Massage must wait until six months from the last date of attendance to apply. Any student wishing to re-enter must have made arrangements to pay their balance to the school as determined by the Cancellation/Settlement Calculation. The Cancellation/Settlement Calculation is performed in accordance with the School’s Contract and Department of Education guidelines. The student must sign a new contract and pay for the remaining hours needed to complete his/her course of study. The student is charged for the remaining hours at the
current hourly rate for his/her course of study. If the student is receiving Federal Financial Aid, the student will need to reapply for additional financing (if he/she qualifies) to cover his/her remaining time left.

Once a student is re-instated, he/she will be placed into a class that is at the student’s current level of education, which is based upon the number of hour’s completed, academic standing and re-evaluation of their theoretical knowledge and practical skills. Students who are re-instated enter in the same progress status as when they left, must re-enter their course of study on the first Tuesday of the month. In some instances, the student will be required to start from the beginning of his/her course of study. This decision is made by the education department and is final.

**Grievance Policy**

A student may lodge a complaint by communicating orally or in writing to any instructor or admissions personnel, who shall attempt to resolve complaints related to the person’s duties. If a student orally delivers the complaint and the complaint is not resolved either within a reasonable period or before the student again complains about the same matter, the School shall advise the student that a complaint must be submitted in writing and shall provide the student with a written summary of the School’s complaint procedure.

Written complaints may be submitted by completing a challenge/solution form. The form is available from the Team Leads Office. A copy of the form is also included in the School Catalog. A completed challenge/solution form will be routed to the Team Lead for investigation. The Team Lead will review the complaint with the appropriate instructors and/or other administrative staff and will issue a written response within 10 days. This response will include a summary of the School’s investigation and disposition of it. If the complaint or relief requested by the student is rejected, the reasons for the rejection must be listed.

The student’s participation in the complaint procedure and the disposition of a student’s complaint shall not limit or waive any of the student’s rights or remedies. Any document signed by the student that purports to limit or waive the student’s rights and remedies is void.

Students may also pursue any unresolved complaints with the Commission on Massage Therapy Accreditation. Students are required to try to resolve problems through the School’s complaint procedure prior to filing a complaint with COMTA. 5335 Wisconsin Ave. NW, Suite 440 Washington, DC 20015.

Students found guilty of committing a Major Standard Violation shall be subject to disciplinary action determined by the Director, up to and including suspension or termination. A student terminated from the school for a Major Standard Violation will not be eligible for re-entry into any program in the school. Refer to the section of the Cancellation and Settlement Calculation for financial responsibility if terminated.

Remember, when you are in uniform, even if not on the School premises, you are representing Rizzieri Aveda School of Massage and subject to the Fair Treatment Policy. Any violation of the Fair Treatment Policy is subject to additional disciplinary action beyond that stated above if, as determined by the School, in its sole discretion, such violation exceeds the standards of behavior expected in any professional or educational environment. Additional disciplinary action may result in termination from the program.

If a Student violates the Fair Treatment Policy three times, or if such Student’s conduct is of the type described where the School has imposed a greater disciplinary consequence than articulated in the chart above, a meeting will be set up with the Student (or parent or guardian if the Student is a dependent minor), the Student's instructor, and the School Director to discuss the behavior, the Fair Treatment Policy violations and the discipline. That meeting may also involve a discussion of the School's expectations with respect to the Student's future behavior and the consequences of any further failures to adhere to the Fair Treatment Policy.
Policy Violations

Students are expected to comply with all School rules while they are on School premises which include the Voorhees Town Center business and restaurants, and in the parking lot, as well as when they are in Rizzieri Aveda School of Massage.

The violation of a minor standard will result in a warning, dismissal for the remainder of the day, or possibly a longer suspension. Repeated violations will result in a longer suspension from the School or termination. The Fair Treatment Policy delineates specific violations and their consequences.

If the student is to be sent home as a result of a minor standard violation, and the violation occurs toward the end of the school day, the student will be sent home for the remainder of the day and may also be suspended for the following day.

While a student is suspended, he/she will accrue missed hours that are subject to overtime charges and the student remains responsible for all tuition charges.

The violation of a major standard will result in termination. If a student is terminated from the program for a major standard violation, there are no grounds for appeal and he/she will not be eligible for re-entry into any program in the School.
